

Mental Health Advocate

Objective:

The Mental Health Advocate is the first point of contact for mental health and wellbeing for Namaygoosisagagun. The Mental Health Advocate's role is to assist Namaygoosisagagun member access and maintain needed mental health services as required.

Duties:

- Compile and organize a list of mental health services and providers in the region.
- Reach out to those service providers to begin a working relationship and understand their referral and intake processes.
- Reach out to community members in order to get a better understanding of the diversity of mental health needs in the community.
- Access relevant training in order to be efficient and effective in this role.
- Be the first point of contact for members to access mental health services.
- Check in regularly with community members to build and maintain a positive, trusting working relationship.
- Assist community members in making mental health service referrals as needed.
- With the cooperation of community member and assistance of Community Wellness Worker, assist member in accessing their appointments and help them keep track of appointments and goals.
- Be active and assist with community events.
- Position reports to Health Team Manager.

Email or Fax resume and cover letter to Kyle MacLaurin, General Manager at nfncomresource@tbaytel.net or fax 807-626-8126.
